December 13: O'Donnell Lee, P.A.

The Waterville Elks Lodge #905 is an organization founded, built and prospers through the involvement of our Elks members. Elks invest in their communities through programs that help children grow up healthy and drug-free, by undertaking projects that address unmet need, and by honoring the service and sacrifice of our veterans.

This event will be catered by the lodge offering lots of amazing treats. A cash bar will be available with a variety of beverage choices. There will be great giveaways, fun raffles to participate in and many opportunities to give back to the kids and the community through their charitable work. They are planning a special game at the after hours event that promises to entertain! You have to be there to appreciate the fun!

This event offers a great opportunity to mix and mingle with other business professionals. The chamber will be offering the mic to members who want to speak and let us know what your business has been doing. Visit www.midmainechamber.com for details.
